TWELFTH MONTHLY PROGRESS REPORT COVERING PERIOD

November 1, 1967 through November 30, 1967

TASK ORDER NO. 17 -

25X1A

A. Project Activities During Reporting Period

Textual and graphical modifications to the prepublication issue of the report "NPIC IIS System Requirements" (Part I, Volumes 1 and 2) were completed. For convenience to the reader, the interface descriptions were removed from Volume 2 and bound separately as Volume 3.

Master publication copy for all three volumes was prepared and delivered to the Center by courier on November 16, 1967.

Delivery of the above reports completes performance of all tasks of the contract statement of work as amended through November 15, 1967.

B. Planned Activities

No activities are planned. However, the performance date of the contract has been extended to January 31, 1968 to allow for additional tasks to be authorized at the option and direction of the customer.

C. Pending, Unresolved Technical Problems
